

EIC Residency Verification Form (Required For All Dependents)

Per IRS regulations, if you will be receiving Earned Income Credits (EIC), you must produce documents proving residency for ALL dependents. The documents **MUST** show the name of the dependent and the mailing address being used on the tax return.

The documents must be one of the following:

1. School records or statement
2. Landlord or property management statement
3. Health care provider statement
4. Medical records statement
5. Child care provider records
6. Placement agency statement
7. Social services records or statement
8. Place of worship statement
9. Indian tribal official statement
10. Employer statement
